Since 1947 Opa's Smoked Meats has been producing fine smoked meat products renowned for the delicious flavor and consistent quality. We use only the finest ingredients, beginning with select cuts of meat, prepared carefully with a special blend of seasonings and recipes handed down over generations.

Most of our products are fully cooked and ready to eat. Simply warm them up in the oven or on the grill and start enjoying the superior flavor of Opa's Smoked Meats.

We invite you to visit us in Fredericksburg. Come by and sample our delicious meats and cheeses, take home a treat from the deli case, and experience our genuine German hospitality. We also take orders by phone, fax or internet to be shipped all over the United States.

As a wonderful gift for family and friends or for your own dining pleasure at home, Opa's offers a full line of premium meat products. Please don't forget to ask for Opa's products at your local grocery store or market - simply the best you can buy.

Thanks for your order!
